**TERMINAL DISCLAIMER**

The owner, Engate Technology Corporation, of a one hundred percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term, including the patent term adjustment, defined in 35 U.S.C. 154 and 173, of any patent granted on pending United States Patent Application serial numbers 10/761,883, filed on January 20, 2004, 10/761,864 filed on January 20, 2004, and 10/972,765 filed on October 25, 2004. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on pending United States Patent Application serial numbers 10/761,883, 10/761,864, and 10/972,765 are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

Applicants: Richard Paul White et al.  
Serial No.: 10/761,894  
Filing Date: Septmeber 26, 2008  
Docket No.: EGT-006-1C

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on pending United States Patent Application serial numbers 10/761,883, 10/761,864, and 10/972,765, in the event that such granted patent expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, is shortened by any terminal disclaimer filed prior to its grant, or is in any manner terminated prior to the expiration of its full statutory term.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The undersigned is an attorney or agent of record. The terminal disclaimer fee under 37 CFR 1.20(d) is included.
